Instructions to Donors & Decorators

Trees: The stars of the show, these are full-sized Christmas trees purchased, decorated, and donated to the event, which will be part of the auction. TCPM staff will then deliver the trees after the event. They may be live trees or artificial, and must be over 5 feet tall. If you choose this option, we will send a follow-up packet of guidelines.

Tabletop Trees: If a tree is under 4 feet tall, it is considered a Tabletop Tree. People also decorate and donate these trees to the event, and they are routinely quite popular. These are usually not delivered, but can be.

Wreath: Often our most creative pieces, these may be made of anything, as long as they can hang on a wall or door. May be store bought or handmade.

Centerpieces: Table centerpieces may be live plants or artificial, or have no greenery at all. Also, frequently creative!

Important Dates:

Tree Decoration Days will be Sun. December 3 and Mon. December 4, 9:00am-7:00pm.

Tabletop Trees and Wreaths must be delivered by 7:00pm on Mon. December 4, but are welcome earlier.

Centerpieces must be delivered by 4:00pm the day of the event, Fri. December 8, but are welcome earlier.

We will accept all forms from now until Tues. November 28, 2023 at 4:00pm.
Any forms received after this deadline <u>will not be accepted</u> for this year's Festival of Trees.
